Livingston Relay. Ramon had booked Braunston Park for April 26. That clashes with the London and Shakespeare Marathons. Suggested that May 3 would be a better date. Ramon to contact the Park to see if it is already booked.

Network

John Skevington reported:

1. Risk Assessment course was looking for a future date
2. EA consultation meeting a Braunston Park, 3rd November at 7.30 pm
3. County performance standards. Clubs wishing for certificates do their members should apply to the Network.

Presentation evening

Feedback wanted. There was a poor turnout. Agreed this was a good venue. Provisionally to be booked for October 2nd. as the first Friday in October being the most suitable date.

AOB:

Start / finish equipment is held at Ramon's daughters home. Agreed it would be better to be in the old trailer belonging to Primary schools and parked centrally. Each Club could then either tow the trailer or take out equipment and return. JS to check if this is possible.

Equipment inventory to be on the Web

Date of next meeting.

20 January 2015 subject to Groby Club.
