Presentation evening

Dave Lodwick: Sell out. A few issues on the door. Payment methods to be changed to make it easier.

Good event and excellent venue. There was a small loss but the league had always made a subsidy for a small loss.

There may have to be a quota for clubs up to a date in order to make sure all clubs can come.

#### **Race Entry system for winter 2017 schedule.**

Chairman read out the outline of the changed system.

Question about the numbers. Clubs are responsible for numbers using hired infrastructure in order to keep to local insurance requirements

Any changes i.e. Swaps/ change of runner should be done 48 hours before race date.

After a short discussion on the reasons for the proposed changes, an amendment was tabled. Proposed that there should be no changes. Proposed by Mark Lambert, seconded by Everard Robinson. Amendment not passed

Original proposals accepted by majority with 3 dissenting. Proposals have already been circulated.
