Minutes agreed as correct

Matters arising

Correspondence

Barrow Runners letter re a. Cost of facilities and b. Some assembly halls are not large enough for the amount of people. Suggestion that we should increase the fee to £2 per runner to be kept by the Club with an increase to £5 per runner.

Suggestion that the Club in the winter league should pay only £1 to LRRL.

Proposal 50 p more to Clubs from fee.

Proposal £5: £1 chip, £1.50 to LRRL and £2.50 to the Club

The second proposal accepted so that the cost per runner in the winter races will be £5.

JS reminded clubs must make sure the assembly hall is large enough and should be part of the Risk Assessment

Reminder for runners cooling down after a race, please make sure they are not mistaken for being part of the race.

Treasurer

£1788 surplus from the winter races

Races

Markfield record numbers . Looking to hire additional facilities. Parking did not turn out as a problem

Kibworth. Increased numbers. Better with the course change.

Desford 29 March. Finish area tidied up. Potential problem with finishing mat rising with the wind

West End Syston 8 May. Signage not high enough. Exit better managed but could be improved. There could be a recommendation to ask runners not to leave until the race is over where there is multiple use of the grounds and other vehicles are trying to get entry. Extra signage will be required as part of the TTRO with a schedule of where they are sited. Race protocol should be reissued as advice to race directors

Birstall Swithland 6 June 7th.No delegate. Good race , no problems.

Livingston relay. Successful day with large amount of teams. Issue with park keys as essential vehicles not able to access. Ramon was also told there would not be a football match - there was, with parking on the pavement which was part of the course.

Date for next year May 1st 2016
