### **Minutes**

Minutes of the meeting held on Monday, 10 February 2014 approved and signed.

### **Matters arising**

Leicester Mercury banners. Branding to be used asap on all Club publicity  
Start/Finish banners are showing Leicester Running Shop as sponsors but the shop sponsored the winter league races. Clubs to promote Leicester Mercury

### **Correspondence.**

#### **England Athletics.**

Matt Froad. Talked about affiliation, pros and cons. Need to find 500,000 new runners as members for their 4 year target. In getting better participation, Park Runs have been very successful and work well as a partnership with Clubs.

Affiliation fee slide to be sent on on how money is spent.

There is a funding gap which will mean tighter spend and as a consequence the Networks will not be supported after 2015. Legacy of Networks very strong in Leicestershire, Clubs should support their Network

#### **Treasurer.**

2 outstanding fees to be paid. Charnwood Tri & Leicester Uni no longer members  
Carole gave a finance report, attached.

#### **Race Reports**

Stilton. Race went OK on the day. About 350 runners, good feedback. Facilities would not be able to have more numbers. Would need a TTRO for another time.

Desford. Problems with the finish area

West End. Should have been 2 water stations because of the weather. Signage should be better placed. Exit still a problem but better than last year. Medical support and paperwork excellent. Suggestion that race directors for races should have a meeting to discuss and support each other.

Livingston Relays. Had unexpected 119 teams. Changeover needs to have better control if numbers are maintained. Parking problems also a consequence of numbers.

Birstall. Reached limit before the day. No entries on the day. Cyclist coaching a runner. Clubs should discourage cyclists accompanying runners.

**Future races.**

Barrow. Prestwold Everything OK

Wreake. New course.

Huncote. OK

Hermitage. No representative

John Fraser. New course. Start will be at the playing field.

Round Leicestershire Relay. Andy Wilford looking for support but Clubs not forthcoming, not enough to put on the relay.

**TTRO & other matters**

John Skevington. PO to contact Jackie Cross to get TTRO published.

New chip attachment.

JS led a discussion about Coach's Club.

**AOB:**

Traffic management course. A number of club members attended, limited to 2 per Club for funding. Another course in Birmingham in June.

Signage. JS has bought 20 signs which are compliant for race use. Others will follow when known. Intention that all traffic management signs will be supplied by the League.

**Date of next meeting.**

Mnday September 8<sup>th</sup>.
