## **Race Reports 2014**

Fleckney & Kibworth 480 finishers. Some runners were late to start but started on time. Always problems with runners standing in the road having finished. Fast runners on a warm down should be aware of the slower runner finishing.

Barrow talked about their cancellation.

Beaumont. Issue of road traffic controls suddenly needing coordination. Concern for runners who seem to take undue time to complete leading to some potential safety issues.

Normal parking facilities not available causing

some problems for cars parked in the wrong places. Good marshalling.

SDRR Starting at a different place at the school area and then running down as normal.

Stilton. No delegate.

Desford Sport in Desford is venue, parking facility at Catapiller. Start and Finish to be announced.
