Reports

Markfield

Only 2 runners turned up. Good communications. Club has costs of £400. If a new date agreed, the costs will increase because of a TTRO. Beaumont will get first choice 2017.

Discussion if LRRL should fund the loss. Members did not want to set precedent.

Barrow 727 runners finished. Thank you to runners for support in car parking.

Issue with finished runners back on the course sometimes pacing and supporting runners at the back of the pack.

Car Parking and facilities for races will have to be borne in mind for all LRRL races. Races do not know how many runners will take place.

Note to be put on club table to say runners must not warm down on course.

Stilton

Old course will be run, 7 miles in length. No running shoes to be worn inside the facilities

Fleckney/Wigston OK

Desford OK

Race officials.

There may be a course for officials in May. PO to contact Jackie Cross re training scheme

Results. Michael Stiff

Network / UKA

Purchased a new chip timing system to be phased in this year. The old system will be sold.

We will be able to have reusable for winter races and disposable ones for summer races.

Winter league costs will remain £1. The disposable chips will cost a little more £1.50/£2.00

The finishing mats will be different.

CPR training has been raised and it is hoped to have a scheme for Clubs.

Leicester Mercury. The sponsorship has run out and the notice for TTRO made in January outside the end of sponsorship agreement.

Midland XC championships will be held at Prestwold Hall on Saturday, 30th. January. Help to set up needed on Thursday no Friday. Marshals wanted on the day

AOB:

Age limit in races. It is up to race organisers to set the age limit.

Question about club insurance against cancellation of races and also liability to 3rd persons when out on a club training evening. Clubs are insured by UKA provided all risk assessments etc. have been done.

B teams ? There will be a large B team result

Please avoid October meeting during 1/2 term
