Races

Barrow 6 25 January 2015
667 runners completed. Concerns about vehicles and parking. There has to be more car sharing from Clubs. Runners were bunched up coming on to the Nottingham Road. Mick Ballard said it might better for Clubs to pay by cheque rather than £1 coins.
Scoring and Teams need to be looked at again with perhaps more B teams. There is an extra cost with extra trophies though it might bring more people might come or the presentation evening. Look at how many teams involved.
Michael to make some suggestions.
Questions asked about EA and referee. Clubs appoint EA through the license system.

Future race dates

Markfield 10k 8 February. Applied for 500 runners but I'd there are more, it might make a difference to Risk Assessment. Apply for a higher number to cover eventualities.

Council had concerns about car parking. Bushes and trees not to be used as toilets.

Gate will be open to get ambulance in and out.

No PA allowed

Network

County standards. John needs clubs to send information so certificates can be produced.

Results came out on Network site but John S would like their site to be the initial port of call so runners can see everything which the Network supports and does.

A first aid course will be available, funding for 12 but if we could have 24, there will be funding available. Course lasts 6 hours over one day. Applications to John S. The qualification will last for 3 years
